

5 th day Meeting with the mayor of the city .We had attendance at Marijampoles Bazilika. We prepared the International Music Festival "Children's Day" in the Marijampole city park named „a cat yard” which attracted many spectators and 9 organizations from Marijampole have joined the concert program with us. All partners prepared musical performances. Erasmus+ coordinators' had a meeting at school. (Classroom N.213). A training session about writing the reports and dissemination of the project introduced by Bulgarian , Croatian and Lithuanian coordinators. Feedback. Questionnaires were prepared for students and teachers

In the evening we ended with a farewell party and here we handed the certificates of attendance to the participants in the project "Social cohesion -give a hand to become a friend". All tourist objects attracted the attention of students and teachers through the multitude of cultural/historical information. They had the chance to compare the countries involved in Erasmus +.
